

*To: All Officers and Men of the Brigade, Civilian Official Staff and all Workpeople.*

On the 31st March I officially retire and relinquish command of this the City of Sheffield Fire Brigade.

May I say a simple but very sincere thank you for the way in which every single member of this Brigade has worked together and has built up over the years an efficient organisation of which I know all of you like myself are justly proud.

Looking to re-organisation and the years ahead I hope you will find the rewards and progression you so justly deserve.

May they be happy years.
